- Chefs and Farmers take note:

Greetings from the Office

We all know that everyone is busy this time of year. Days are long, and we never seem to get to the mail or check out the computer for our email, but it is important. You farmers need to remember to call in weekly what you are harvesting this week. If you let the office know on Monday we can make sure it gets on the fresh sheet

for the week. Those with email can send in their changes.

Likewise if someone is looking for something in particular, let the office know and a search will begin.

Also remember that if a holiday falls on a Monday, there will be no fresh sheet that week. The office will inform everyone two weeks be-

fore it happens.

Hint: Labor Day will be the next one.

So, call if you need anything.

The office number is 419-534-3710 extension 112, or email

louise.mikesell-wireman@eisc.org.

Make it a point to call me every Monday!!!

The first Chef Walk will be at the Toledo Farmers' Market on Saturday August 9th at 9 am. We will meet by the office.

The second Chef Walk will be August 16th at the Fremont Farmers' Market.

The third Chef Walk will be August 23rd at the Defiance Farmers' Market.

Details will follow with fresh sheets, and you can join in at the walk closest to you.

Or you can do a different one for fun. The office will need to know if you are coming. See you then!

Directory Changes

Many farmers and restaurants are new to the farm to chef program. The directory has information, but if you need a current directory, you might want to take a look at the copy on the web.

Our IT guru keeps the directory and our entire website current. So, if you have a change, let us know and we will get it changed in the booklet and the online booklet. Likewise, if you

need an additional directory or a certificate, let the office know, and your request will be filled.
